Mr. Barnet Schaeffer,

New York.

My dear Sir:-

Mr. Henry Russell Drowne handed to me the other day four Russian gold coins stating that you desired to loan these for exhibition in our Society. I beg to acknowledge the receipt of these, and to tell you that we have placed them on view here. I also wish to thank you on behalf of this Society for your kindness in letting us have the use of these.

Trusting that, if you have never been up to our Museum, you will come up some time and see some of the things we have.

Very truly yours,

Curator.
